For the first time in three weeks there will be a single ball game adjacent to the city on Sunday. The Lagoon and Ogden meet at Lagoon, and the game is sure to attract a big crowd from the city. JEFFRIES COMING TO SALT LAKE

WORLD'S CHAMPION PUGILIST TO BE HERE JULY 3.

Expected That the Star Aggregation Will Appear in the Grand Theatre—Mully Still Absent.

(Special to The Herald.)

Denver, June 22.—Sam Thall, advance agent for Jim Jeffries' pugilistic star aggregation, left here today for Salt Lake. He announced the date for the Salt Lake exhibition as July 3.

Manager Mully of the New Grand has not yet returned from the east, where he went to arrange for the appearance of Jeffries here. It is believed, however, that the aggregation will show at the New Grand, as Mr. Mully has not the reputation of failing to secure that which he goes after.

PLANS OF CHAMPION.

Willing to Meet McCoy After Sharkey Engagement.

Denver, June 22.—Sam Thall, representing Champion Jim Jeffries, is in the city, making arrangements with Manager Otto C. Floto of the Colorado Athletic club for an exhibition by Jeffries before the club on July 2. Mr. Thall will go from here to San Francisco, where he will arrive Monday night.

Jeffries and party will be in San Francisco July 6, and will be welcomed with a reception by the Olympic club of San Francisco and the Alliance club of Oakland, at which the final round of the Jeffries-Pittman fight will be illustrated by Jim and his brother.

On July 9 Jeffries will go to Los Angeles, where he will remain a week, then go east and will sail for London July 21.

Mr. Thall says the story that Jeffries was examined by a physician in New Haven, who pronounced him in bad health, is unfounded. He says Jeffries is in perfect health and is ready to fight.

Said he: "Jim will not, as other champions have done, insist upon waiting a week or two before fighting, but will fight on the first Monday in February, the date arbitrarily fixed by law for assessing property. They had big overdrafts at the banks. With the two exceptions noted the commissioners were rated on every point raised by the audience, since the law or the sworn fact operated in favor of the persons whose cash account was deemed to have escaped the eagle eye of assessors' quills."
